NYSPA Member Survey on the Impact of the COVID-19 Public Health Emergency

In order to further assist and advocate on behalf of our members, NYSPA has developed an anonymous membership survey to collect information regarding the impact of the COVID-19 public health emergency on psychiatrists, their practices, and patients. Kindly click the link below to complete the survey and click “submit” at the end. The survey will close on Friday, June 12, 2020. Once all the results have been tabulated, we will share them with the membership. We appreciate your participation and assistance.
