

NYSPA Member Survey in the Time of COVID-19

In order to further assist and advocate on behalf of our members, NYSPA developed an anonymous membership survey in May 2020 to collect information regarding the impact of the COVID-19 public health emergency on psychiatrists, their practices, and patients. Approximately 220 members participated and here are the results.

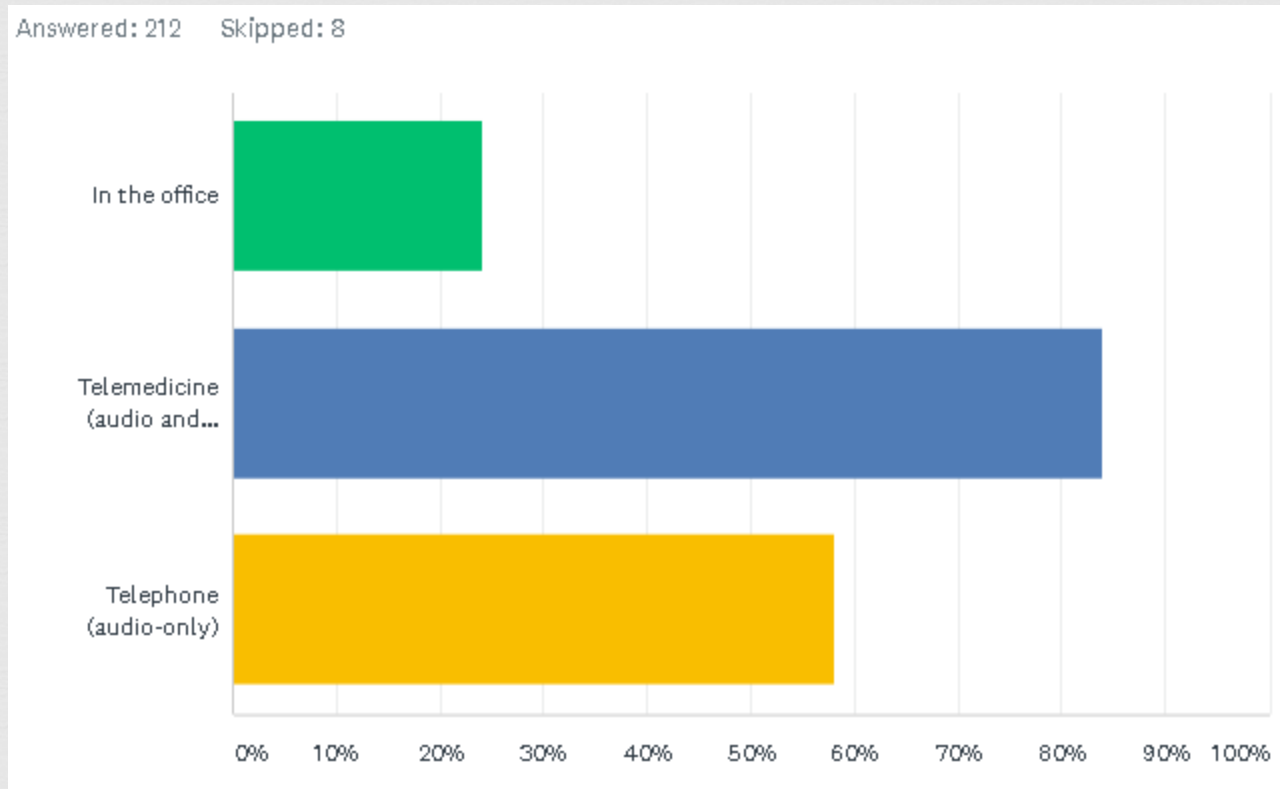

What is your primary practice setting?

I accept the following insurance (select all that apply)

During the public health emergency, I have been seeing patients as following:

Are you and your patients receiving timely and appropriate reimbursement for telemedicine services?

Has your practice volume been impacted by the public health emergency? (select all that apply)

How has your overall practice been impacted by the public health emergency? (select all that apply)

Have you provided volunteer psychiatric services during the public health emergency?

Answered: 216 Skipped: 4

During the public health emergency, which membership organizations and available resources have you found helpful and instructive (check all that apply)?

Answered: 200 Skipped: 20

- American Psychiatric Association
- New York State Psychiatric Association
- Medical Society of the State of New York
- American Medical Association
- New York State Department of Health
- Federal government
- Your malpractice insurer

Have you received CARES Act stimulus money from HHS?

If YES, have you applied for second round of funding?

Once the public health emergency has passed, do you anticipate that you would choose to operate any portion of your practice via telemedicine?

In the time of the public health emergency, what I value most about my NYSPA membership is? (check all that apply)

Answered: 193 Skipped: 27

- Timely/helpful practice information
- Up to date and concise claims, coding and billing information
- Sharing of resources and links to additional information
- Sharing and exchange of information among colleagues
